BETTER MENTAL HEALTH CARE

Welcome To Hightop Health

—where you can refer your patients
with confidence.

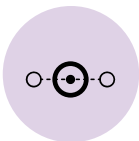

Hightop Health provides life-changing mental health care for patients—not the “checking-the-box” kind of care that produces less-than-ideal outcomes. When you refer your patients to one of our clinics, you can rest assured that they’ll receive high quality care without obscene wait times.

“We use traditional and cutting-edge tools to treat the whole person and we work closely with our referring partners to ensure seamless care.”

Michael Banov, MD
Medical Director
of Psych Atlanta

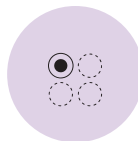

Why Hightop Health

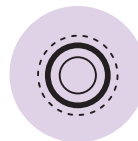

Continuum
Of Care

Refer Your Patients To Hightop Health

Refer your patients to Hightop Health's clinics—where our clinical research keeps us on the forefront of transformative treatment modalities.

- A diverse team of expert clinicians is trusted to leverage longstanding and novel treatments—backed by cutting-edge research—to treat the most challenging conditions with confidence and compassion.
- Comprehensive, collaborative care beyond the standard, one-size-fits-all approach to mental healthcare by addressing each problem at its root and delivering personalized treatment plans to meet each individual's unique needs.
- Our Centers of Excellence specialize in some of the most sought-after treatments for the most complex and challenging mental health conditions.

Serving Patients At All Acuity Levels
