

IS YOUR MEDICATION NOT WORKING?

A Hightop Health Clinic

CLINICAL RESEARCH TRIALS

Psych Atlanta, a Hightop Health clinic, conducts ongoing proprietary clinical research to help develop cutting-edge treatments and deliver transformative mental health care for the most complex mental health conditions.

Clinical trials study new tests, therapies, and treatments to evaluate their effects on human health outcomes, ultimately determining whether a new standard of care will be utilized in medicine.

GET INVOLVED TODAY!

WE'RE ACTIVELY SEEKING PARTICIPANTS IN STUDIES FOR:

- ⦿ Treatment-Resistant Depression (TRD)
- ⦿ Binge Eating Disorder (BED)
- ⦿ Major Depressive Disorder (MDD)
