

# Welcome To Roots Behavioral Health

—where you can refer your patients  
with confidence.

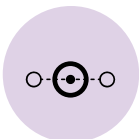

Roots Behavioral Health, a Hightop Health clinic, is a premier outpatient mental health group led by top-tier clinicians with an integrative, comprehensive approach to delivering life-changing treatments. When you refer your patients to one of our clinics, you can rest assured that they'll receive high quality care without long wait times.

“At Roots Behavioral Health, we treat more than symptoms—we look at brain health, listen deeply, and offer innovative, affordable care that leads to real, lasting change.”

**Brent Turnipseed, MD**  
Medical Director

# Refer Your Patients To Roots Behavioral Health

Refer your patients to Hightop Health's Texas-based practice—where our clinical research keeps us on the forefront of transformative treatment modalities.

- A diverse team of expert clinicians is trusted to leverage longstanding and novel treatments—backed by cutting-edge research—to treat the most challenging conditions with confidence and compassion.
- Comprehensive, collaborative care beyond the standard, one-size-fits-all approach to mental healthcare by addressing each problem at its root and delivering personalized treatment plans to meet each individual's unique needs.
- Our Centers of Excellence specialize in some of the most sought-after treatments for the most complex and challenging mental health conditions.
